Sample Itinerary:

DAY 1—For the past 20 years, we have been traveling to Cape Cod in early October HOPING the weather would cooperate. Many times it didn't and whale watches were cancelled. How about a trip in June where temperatures are far better and we're just before the crazy summer family vacations? **A perfect time to visit Cape Cod.** Overnight in Pennsylvania.

DAY 2— Stop mid day in Sandwich for lunch, then visit the **Sandwich Glass Museum** for a glass blowing demonstration. Later visit **Plymouth** for photos of **Plymouth Rock, Mayflower II and the National Monument of the Forefathers**. Arrive at the **Red Jacket Beach Resort** for the first of **(5) nights**. (www.redjacketresorts.com) Dinner is on your own in the lovely town of Hyannis, offering an eclectic collection of food types and eating styles.

DAY 3 - A tour of the Cape highlights our morning. Learn about the legendary history and see the beautiful, natural, unique landscape of Cape Cod. Visit the **John F. Kennedy Memorial** and pay tribute to the nation's 34th president. Visit **St. Francis Xavier Church** and hear the history of the church and its relationship with the Kennedy family through the years. Drive the length of the peninsula's arm with stunning views along **Cape Cod National Seashore**. Arrive in **Provincetown** and enjoy lunch in this charming village. After lunch head out to sea for a **whale watch expedition**. The trip is designed to enhance our awareness of whales, other marine life and the marine habitat that surrounds us. A naturalist on board gives a presentation about the whales, their behavior, and some of the other marine life common to the area. Back at our resort **dinner is included**.

DAY 4 - Board a ferry for beautiful **Martha's Vineyard**. The jewel of New England is a tour highlight. See **Gay Head**, famous for its National Landmark lighthouse and multi-colored clay cliffs. **Oak Bluffs** is home to many historical and nationally recognized landmarks and boasts hundreds of imaginative and colorful gingerbread cottages containing the most perfectly preserved collection of Carpenter Gothic style architecture in the world. A **sightseeing tour of Martha's Vineyard** showcases these and many other memorable sights. Spend some leisure time in **Edgartown**, one of New England's most charming communities. Ferry back to the mainland later afternoon for an **included dinner** to conclude a delightful day.

DAY 5—Morning visit **Plimoth Plantation**, a recreation of the small farming and maritime community built by the pilgrims in 1627. Costumed role players portraying actual residents bring Colonial Plymouth vividly to life. They have adopted the names, viewpoints and life histories of the people who lived and worked in the Colony in 1627. **We can't stay at an oceanfront resort and not give you an afternoon to relax and take it all in. Enjoy! Dinner included and we'll host a before dinner cocktail party.**

DAY 6—Board **Hy-Line Cruises** for a high-speed ferry to beautiful **Nantucket**. Once the whaling capital of the world, Nantucket is now a tourists delight. Stringent preservation rules have retained the charm and character of the town, while cobblestone streets pave a path through the lovely downtown and a wealth of historic sites, upscale shops and boutiques and restaurants to suit every palate. Enjoy a **sightseeing tour** and leisure time to enjoy the island. **Dinner included** tonight.

DAY 7 - Starting our journey homeward, we'll visit the **New Bedford Whaling Museum**, which has been collecting historic artifacts, documents, books, and photographs for over 100 years. Most of the collection is devoted to the history of whaling in the region and beyond, in fact worldwide. Overnight in western Pennsylvania.

DAY 8 - Head for home with great memories of Cape Cod.
